## THE FINISHING TOUCH

### DISHDRAWER™ DISHWASHER

#### WORLD'S FIRST

With over a decade of manufacturing experience, the world's first drawer dishwasher offers the best ergonomics with the least amount of bending.

#### SEAMLESS INTEGRATION

Enhanced venting, fully adjustable door and wireless remote eliminates the need for an external interface creating clean, professional lines.

#### GENEROUS CAPACITY

With fully adjustable racking and independent tines each tub now holds seven place settings and the top drawer can handle 13" plates.

#### SUPERIOR WASH PERFORMANCE

From heavy duty to delicate; the nine wash cycles offer variable wash (or water) pressure combined with the world's first flow through detergent dispenser, flow through detergent dispenser and 163°F sanitizing temperature ensure world class performance.

#### EFFICIENCY

ENERGY STAR qualified with ultra quiet operation and uses as little as 1.95 gallons of water per drawer.
