REFRIGERATION

Fisher & Paykel

ACTIVE SMART™ REFRIGERATORS

Active Smart System

Independent fans and sensors ensure faster cooling and freezing and even temperature distribution for the ultimate in food care.

French Door Configuration*

Offers unobstructed refrigerator access to wide internal shelving and a spacious freezer drawer.

Humidity Control System

Ensures the safe removal of harmful water vapor from your fruit & vegetables and enables customized humidity storage of your produce prolonging the life and quality.

Counter Depth

Fits flush with cabinetry or freestanding with a silver cabinet.

Filtered Ice & Water*

Convenient external water and internal ice dispensing takes up no valuable storage space. The external electronic interface provides features such as bottle chill and freezer chill.

All the extras

Glass shelving, door alarms, full extension runners and EZKleen stainless steel.
