|        |          |
|--------|----------|
| Height | 24 1/4 " |
| Width  | 30 "     |
| Depth  | 26 5/8 " |

FEATURES & BENEFITS

Stainless Steel Burners

The precision ported U-shaped stainless steel burners are rated at a massive 25,000BTU each, offering premium quality and performance. A heat shield directs heat upwards maximizing heating efficiency.

Ceramic Radiant Technology

A layer of ceramic rods provides intense yet even heat. It gives a consistent grilling surface, with controlled heat rather than direct fire.

Direct Burner Ignition

An ergonomic ignition solution, where burners are lit directly from the corresponding knobs.

Temperature Gauge - Zero To Sear

Go from zero to sear with DCS Grills' new built-in temperature gauge. It lets you know exactly how hot the grill is, even when the hood is down.

SPECIFICATIONS

Accessories (sold separately)

|                      |                      |
|----------------------|----------------------|
| Built-in grill cover | ACBI-30              |
| Insulated jacket     | BGB30-IJS (optional) |
| On cart grill cover  | ACC-30               |
| Optional cart mount  | CAD1-30 / BGB30-CSS  |
