

36" Built-In Grill Cover Series 7

Custom-designed to fit your DCS Built-in Grill, these fully waterproof covers are constructed from PVC material with 400 denier polyester backing. The covers are rated UV Level 4, the highest UV protection available, and feature Anti-Cold-Crack (to -15dF) for colder climates. An innerflow section is built-in to the back of the cover for ventilation, ensuring they remain mildew and fungus free. Two robust stainless steel hanging eyelets ensure storage is easy.
