

# 48" Grill, Rotisserie and Charcoal, LP Gas

Series 9

Stainless Steel | LPG

This Series 9 Built in 48" Grill provides the ultimate grilling space for premium outdoor kitchens and will take your grilling experience to the next level.

- Secondary cooking surface allows you to use a wide repertoire of cooking styles and cater for a crowd
- Intuitive lighting with bright in-hood lights and bezel lit control dials
- Easy to lift 90° hood for better access when cooking
- Delivers 25,000 BTU/hr total power per burner allowing you to precisely control heat from 300°F to 1100°F

## DIMENSIONS

<b>Height</b>	<b>27 1/4"</b>
<b>Width</b>	<b>47 15/16"</b>
<b>Depth</b>	<b>26 7/8"</b>

## FEATURES & BENEFITS

### Extra cooking area

More room when cooking for a crowd with a secondary cooking space that can fit a broiling pan for slow cooking, roasting, sauces, or to keep food warm after searing.

### Intuitive lighting

Brilliant 12 volt lighting safely illuminates what you're cooking while emitting a welcome glow around the whole grill. Bezel lighting on dials glow white when the lights or grill are on, and orange when the gas and grill are working.

### Charcoal smoker tray

Enjoy smoky barbecue flavor with the ease of instant gas flame ignition. Grill directly on the cooking grate or add wood chips for more smoke. A W-shaped tray with adjustable vents helps the charcoal last longer.

### Heavy duty infrared rotisserie

An infrared rotisserie burner provides controlled searing heat up to 18,000BTU. The heavy-duty motor easily turns a 50lb load, ideal when cooking for a big crowd. The rotisserie rod is conveniently stored under the drip pan handle.

### Easy lifting hood

With extra space under the hood for extra large food items, the hood can be smoothly opened, using one hand, to a full 90° for better access and visibility when cooking.

### Storage for racks and tools

The 6" storage accessory extends your grill to fit a 42" or 54" space. It bolts seamlessly onto either side of the grill to store

racks, grates and tools. This accessory is sold separately.

## SPECIFICATIONS

### Accessories (sold separately)

6" accessory storage	<b>ASE6-48</b>
Built-in grill cover	<b>ACBI-48E</b>
Griddle plate	<b>BGC-GP</b>
Insulated jacket	<b>BGA48-IJS (optional)</b>
Insulated jacket (with storage)	<b>BGA54-IJS (optional)</b>
On cart grill cover	<b>ACC-48E</b>
Optional cart mount	<b>CAD-48E</b>

### Burners

Number of U-burners	<b>3</b>
