

# 24" Outdoor Beer Dispenser, Single Tap, Right Hinge

Stainless Steel | Right Hinge

The DCS Outdoor Beer Dispenser is the ultimate indulgence for your outdoor kitchen or bar, allowing you to entertain with style.

- Rapid cool-down technology and precise temperature stability
- Easy-to-clean drain system keeps spillage under control
- Made from durable stainless steel with anti-scuff floor shield
- Audible alarm for door ajar and high and low temperature

## DIMENSIONS

|        |                  |
|--------|------------------|
| Height | 33 3/4 - 34 3/4" |
| Width  | 23 7/8"          |
| Depth  | 21 1/2"          |

## FEATURES & BENEFITS

### THE PERFECT POUR

With dynamic cooling technology and frost-free operation, you can ensure beer is kept cool at your preferred serving temperature. The double-insulated stainless steel tower reduces foam, for a consistently perfect pour.

### EASY TO CLEAN

An integrated drain system keeps spillage under control, and removable components make for easier cleaning.

### QUALITY MATERIALS

Designed for outdoor use and built to last, an anti-scuff interior floor shield and stainless steel threshold protect against cabinet wear and tear from loading and unloading kegs.

### AUDIBLE ALARM

Receive audible alerts when the door is left ajar, and at high or low temperatures, to ensure your contents remain at an optimal temperature.

### SAFE AND SECURE

Your beer dispenser has a door lock for added safety and security – a must-have for storage outside.

## SPECIFICATIONS

### Accessories

|                        |          |
|------------------------|----------|
| Caster kit             | UC       |
| cO2 tank and regulator | Included |
