

Outdoor Warming Drawer

The DCS Outdoor Warming Drawer means dinner is ready when you are and a removable stainless steel shelf means there is enough space for up to 6 standard-sized dinner plates.

DIMENSIONS

|        |          |
|--------|----------|
| Height | 16 "     |
| Width  | 30 "     |
| Depth  | 26 1/8 " |

FEATURES & BENEFITS

Control

The thermostatically controlled temperature ranges from 140°F-230°F.

**Capacity**  
A removable stainless steel shelf means there is enough space for up to six standard-sized dinner plates.

**Quality**  
Constructed from 304-grade stainless steel with superior weld and finish, DCS warming drawers are built to last.

**Finish**  
The neutral stainless steel finish, refined handle profile and consistent detailing ensure DCS built-in products install seamlessly into your cabinetry.
