36" Series 7 Grill, Rotisserie and Infrared Sear Burner, LPG

Series 7

Stainless Steel | LPG

This Series 7 built-in 36" grill is designed for premium outdoor kitchens and will take your outdoor cooking experience to the next level.

- Infrared sear burner for incredibly fast searing up to 24,000 BTU/hr
- Cater for a crowd with the secondary cooking surface
- Build into an outdoor BBQ island, or add a cart for a freestanding grill
- U-burners deliver 25,000 BTU/hr total power per burner with precise heat control from 300°F to 1100°F

DIMENSIONS

Height	24 1/4 "
Width	35 7/8 "
Depth	26 5/8 "

FEATURES & BENEFITS

The Perfect Sear

A dedicated searing zone with a dynamic infrared burner allows you to experience a new level of versatility, using a range of cooking methods. The improved dual rail design offers increased control and faster heating, so you can achieve the perfect sear every time.

Smart Beam™ Grill Light

A halogen light is designed to illuminate the entire cooking surface, ideal for night-time grilling.

Heavy-Duty Infrared Rotisserie

An infrared rotisserie burner provides controlled searing heat up to 14,000BTU. Perfect for entertaining, the heavy-duty motor can easily turn a 50lb load. The rotisserie rod is conveniently stored under the drip pan handle.

Temperature Gauge

Designed for monitoring internal air temperature, the temperature gauge lets you know exactly how hot the grill is – perfect for cooking pizzas or preparing roast meals.

Dual-Sided Grate

One side has a gentle radius for handling delicate foods, such as chicken, fish and vegetables. The other side is W-shaped for perfect sear lines while channeling oil away to an easily removable drip tray.

Extra Cooking Area

Effortlessly cook for a crowd with a secondary cooking space. You can fit a grill pan for slow cooking, roasting and making sauces, or to keep food warm after searing.

Grease Management System™

Our Grease Management System™ reduces flare-ups by channelling grease and oils away from the burner flames during grilling.

SPECIFICATIONS

Accessories (sold separately)

6" accessory storage	ASH6-36
Built-in grill cover	ACBI-36
Griddle plate	BGC-GP (optional)
Insulated jacket	BGA36-IJS (optional)
Insulated jacket (with storage accessory unit)	BGA42-IJS (optional)
On cart grill cover	ACC-36
Optional cart mount	CAD1-36E

Burners

Number of U-burners	2
Sear burner zone	•

Cooking Surface Area

Primary cooking area	630 sq.in.
Total cooking area	871 sq.in.
Warming rack area	241 sq.in.

Features
