

30" Grill, LP Gas

Series 7

Stainless Steel | LPG

Designed with flexibility in mind, DCS Grills allow you to cook a wide variety of meals and are engineered to deliver the functionality and power demanded by a professional chef. DCS Grills are hand-finished to perfection to complement the quality of the DCS premium outdoor kitchen and built to withstand the demands of the serious cook and the extremes of mother nature. Available in Natural and LP Gas. Grill Cart pictured sold separately.

DIMENSIONS

Height	24 1/4 "
Width	30 "
Depth	26 5/8 "

FEATURES & BENEFITS

Stainless Steel Burners

The precision ported U-shaped stainless steel burners are rated at a massive 25,000BTU each, offering premium quality and performance. A heat shield directs heat upwards maximizing heating efficiency.

Ceramic Radiant Technology

A layer of ceramic rods provides intense yet even heat. It gives a consistent grilling surface, with controlled heat rather than direct fire.

Direct Burner Ignition

An ergonomic ignition solution, where burners are lit directly from the corresponding knobs.

Smart Beam™ Grill Light

A halogen light is designed to illuminate the entire cooking surface for perfect night grilling.

Temperature Gauge - zero to sear

Go from zero to sear with DCS Grills' new built-in temperature gauge. It lets you know exactly how hot the grill is, even when the hood is down.

Rotisserie made easy

Inspired by our commercial heritage, DCS Rotisserie Grills are the perfect package of robust construction, powerful motor, consistent temperatures and strong forks. DCS Rotisserie Grill models feature a dedicated infrared rotisserie burner, providing controlled searing up to 14,000 BTU per hour. The heavy-duty

motor allows you to load your Thanksgiving turkey (and more!), while the Smart Beam™ Grill Light illuminates the entire cooking surface for perfect night grilling. Load up your new DCS Grill's rotisserie then sit back and let the grill do the work.

SPECIFICATIONS

Accessories (sold separately)

Insulated jacket	BGB30-IJS
Optional cart mount	CAD1-30/BGB30-CSS

Burners

Number of U-burners	2
---------------------	---
