

Outdoor Warming Drawer

Stainless Steel

The DCS Outdoor Warming Drawer means dinner is ready when you are and a removable stainless steel shelf means there is enough space for up to 6 standard-sized dinner plates.

DIMENSIONS

| | |
|--------|---------|
| Height | 16" |
| Width | 30" |
| Depth | 26 1/8" |

FEATURES & BENEFITS

CONTROL

The thermostatically controlled temperature ranges from 140°-230°F.

CAPACITY

A removable stainless steel shelf means there is enough space for up to six standard-sized dinner plates.

QUALITY

Constructed from 304-grade stainless steel with superior weld and finish, DCS warming drawers are built to last.

FINISH

The neutral stainless steel finish, refined handle profile and consistent detailing ensure DCS built-in products install seamlessly into your cabinetry.
