FEATURES & BENEFITS

<p>The Perfect Pour</p> <p>With dynamic cooling technology and frost-free operation, you can ensure beer is kept cool at your preferred serving temperature. The double-insulated stainless steel tower reduces foam, for a consistently perfect pour.</p>
<p>Easy To Clean</p> <p>An integrated drain system keeps spillage under control, and removable components make for easier cleaning.</p>
<p>Quality Materials</p> <p>Designed for outdoor use and built to last, an anti-scuff interior floor shield and stainless steel threshold protect against cabinet wear and tear from loading and unloading kegs.</p>
<p>Audible Alarm</p> <p>Receive audible alerts when the door is left ajar, and at high or low temperatures, to ensure your contents remain at an optimal temperature.</p>
<p>Safe And Secure</p> <p>Your beer dispenser has a door lock for added safety and security – a must have for storage outside.</p>
