- Burner will withstand the extremes of mother nature

- Interconnected illuminated dials to match the suite of DCS Series 9 products

DIMENSIONS

Height	10 1/2 "
Width	24 "
Depth	26 7/8 "

FEATURES & BENEFITS

Power With Control
Delivers powerful heat with exceptional control, perfect for large steam pots. Precise temperature control from 70,000 to 1,300 BTU enables a rapid boil down to a gentle simmer.

Designed To Match
With a matching look across all DCS Series 9 products, you can create a stylish, cohesive design for your Outdoor kitchen. Seamless installation and interconnectivity between products* allows for unified operation, from ignition to dial illumination.

Cooking Versatility
The grates are specially designed to provide stability for pots and woks of all sizes, eliminating the need to adjust them. Grates can also be separated into two parts to make cleaning easy.

Heavy Duty Build
Made from durable, cast brass, the burner is designed to withstand high temperatures and all types of weather.
